COMMENT (DRAWING CHANGES)

The following changes to the drawings are required by the examiner: the label "FIG. 4" must be deleted. See changes made in red on attached drawing sheet. The change is required because there is no separate description of a "Fig. 4" in the specification, nor is there a separate illustration for Fig. 4 (appears Fig. 4 and Fig. 4A are labeling same illustration). In order to avoid abandonment of the application, applicant must make this drawing change.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul W. Huber whose telephone number is (703) 308-1549.
